

Closing Day 2016

The Closing Day Ceremony was held on 14th July, 2016.

It was our great honour to have invited our alumnus, Mr. David Cheng, as our Guest of Honour. He shared his experience in the social care sector with us, he told us a real story happened 5 years ago in summer.

Through his inspiring story, we understand that there are ups and downs in our lives, we should have faith and be brave in facing all challenges. We should strive to achieve our goals, be persistent even though there are lots of obstacles in front of us. On the other hand, if we are capable, we should offer help to the people in need. He urged the students to make good use of the summer holidays, participate in voluntary work, help the others and make this summer a meaningful one.

After the speech, prizes were presented to students with outstanding performance in studies and co-curricular activities. The last programme was, bidding farewell to our beloved teacher, Mr. Evans Tsui, he will retire after this school year. We wish him good health and may everyday be filled with happiness.
