

Mr. Kevin Leung attended the Arts Ed Symposium

The Symposium on Development of Arts Education Tomorrow was held at Asia Society Hong Kong Center on 6-7 October. Chairman of the Board of Governors Hong Kong Arts Center Mr. Nelson Leong, Dr Louis NG Deputy Director of Leisure & Cultural Service Department and our School Arts Leader Mr. Kevin Leung represented the Hong Kong Arts Development Council as the honourable guests for the opening of the symposium. The Hong Kong Arts Development Council is at the forefront of fostering a thriving arts environment in which the quality of life of the public can be improved. It is also committed to facilitating community-wide participation in the arts and arts education. The commissioned organization aims to promote a discussion in arts education policies, related training and promotion and the like from a pragmatic perspective. Moreover, it reviews the development of arts education at both school and community levels, from the perspective of whole-person development that pertains to the role of the arts in education. Over two hundred overseas speakers, local art administrators, arts teachers and arts students attended the forum that examined various topics. Hopefully the symposium has come up with new insights and solutions to meet the future challenges facing local arts education.
