

## **Senior Leadership Training Day 2016-17**

With four teacher advisors to guide them, 26 student leader green horns received their leadership training at Community Sports (上水展能運動村), Ma Tso Lung, Sheung Shui, N.T on 27 August, 2017 so that they could well prepare themselves for carrying out their duties in the coming academic year.

To cultivate their team spirit and boost their confidence they had to take up a number of challenging adventure-based tasks, such as high wall, trust fall, whale tail, confidence jump, to name just a few. After the training, the participants enjoyed a sharing session. Many of the students said they felt more confident and better prepared to take up their duties as student leaders and that they had more team spirit.
